1 The Deputy Commissioner's letter explains the facts of the case.

2 Two precedents in which the inam lands endowed to the temples had been resumed but were subsequently restored to them are put up. In both the cases, the lands were resumed on account of the disrepaired condition of the temples.

12 In one case, the lands were fully assessed but the Khata were allowed to remain in the name of the temple and in the other, the cultivators of the lands agreed to give up the lands to the temple.

P

13 But, in the present case, the holders of the lands (except one) are unwilling to give them up ~~the lands~~ and they have been in their possession and enjoyment from a very long time and the lands themselves have passed through several hands.

14 The Dr Comr therefore recommends the grant of a tasdik of Rs 7 per mensem.

15 The resumption of the temple inam lands having resulted in additional revenue to Govt it is a matter for consideration whether the tasdik re-

of the temple, ~~but~~ that the temple roofing was
then in need of repairs and no sanad being

The temple not having been repaired

4) The owner of Sub 247 is willing to restore the land unconditionally and the owner of Sub 6 is willing to give half the profits of the land under certain conditions. Taking that the temple derives benefit from both these lands, it would still have lost the use of Subs 55, 120, 122 & 126 assessed at Rs 25-12. Even if Govt should take a generous view of the case the temple will be entitled to a cash ground equal to this amount. The case appears to me a fit one in which a ground for this expenditure may be made.

29 Formerly, the Temple enjoyed not only the produce of the lands (11-17 in extent) but also an Inam of Rs. 35-12-0 being the assessment of the lands. By the grant of a Tasdik of Rs. 7 for mere-Sene, the Govt. besides losing the present revenue of Rs. 35/12/- will have to pay a Sum of Rs. 48-4-0 annually to the temple. This arrangement does not therefore Seem profitable to Govt. If however they are disposed to compensate the temple for the loss of produce of the lands, the cash grant of Rs. 7/- may be Sanctioned. Alternate the following proposal may be considered - As the owner of S. no* 247 is willing to give it up unconditionally & the owner of S. no 6 is prepared to give half the profits to the temple, these offers may be accepted, and the temple authorized to collect the assessment* of the other S nos. By this arrangement the old State of things will be restored as far as possible without entailing any extra expenditure

Sir,

With reference to your Office Memorandum No: 2950/Muz 700-11-2, dated 10th June 1913, forwarding for report two petitions from Krishnabhatta and others, praying for the restoration of the inam lands originally endowed to Sri Trikutachala Lakshmi Narayana Swamy Temple at Adagur, Belur Taluk, and Subsequent No: 560/Muz 401-12-2, dated 24th January 1913, forwarding for report a petition, from Gurunaiya and others of said place, presented to His Highness the I have the honor to state as follows:—

follows:-

2. From the records relating to the sub-ject, it is seen that the Temple was, prior to the Inam settlement, endowed with the m-arginally noted:-

*S.No.	Kind	Extent	assess-ment	
6.	Wet	1-7	6	Inam lands and owing to "Puja", as not being conduct-ed at the time of the Inam settle-ment, the lands
247	Dry	3-20	4

were resumed to Government. Some of these lands are said to have been sold in auction sales according to Darkhast rules. As the records relating to these sales are not forthcoming, it is not possible to ascertain what amount was realized from the sale of them. Out of the six survey num-bers, which were formerly endowed to the Temple, S. Nos. 55, 120, 122, and 126 are in the khata and enjoyment of one Vaidhya-manaya, who has, in his statement, made before the Amildar of Belur Taluk, expressed his unwillingness to give up the lands to the Temple, as he has improved them at con-siderable cost. The owner of S. No. 6, by name Eareyowda

Gowda, states that as he has raised cocoa-nut trees on the land, he would deliver one half of the produce from the land, to the Temple, reserving the right of cultivation to himself, provided that the owners of the other survey numbers agree to the relinquishment of the lands in favor of the temple. The owner of s no. 247, which is a dry land, however, has agreed that he would unconditionally give up the land in favor of the temple, free of any cost. It is ascertained that there are no assessed waste lands fit for being endowed to the temple and that the temple is in good condition. It is further ascertained that "Puja" which had been stopped for about 30 years, is being performed for the last 4 years, with a few interruptions due chiefly to want of cooperation among the villagers.

3. Considering the fact that the temple is maintained in good condition, that the villagers are interested in the up-keep of temple, and that the owners of impor and valuable lands, which formerly belonged

belonged to the temple are not in favor of giving them up in its favor, the prayer of the villagers deserves the favorable consideration of Government. The Assistant Commissioner, Sakleshpur Sub Division, in submitting the records recommends that in order to meet the desire of the villagers to keep the temple in a state of worship, a tasdik of Rupees seven per mensem may be generously sanctioned by Government.

4. In these circumstances, I request that you will be so good as to move the Government to sanction the grant of a cash tasdik of Rupees seven per mensem to the temple in question (Rs 4 for the Pujari & Rs 3 for Padattara and Deeparadhane charges), which would afford means to the regular conduct of Puja.

5. The Vernacular papers ending with Munjarabad Taluk Amildar's no. 98 dated 28th February 1914, are herewith submitted for reference.

I have the honor to be,
Sir,

1. Whole Grant. Valid. 2. D. J. I account of 1856 adopted. 3. The temple is leaky and no service is rendered. From information given by the Shanbogue the temple is a large one of 14 Ankanams and is anything but sound. It is said that to repair the roof and erect the compound wall which has fallen would cost about Rs 500/- which the villagers cannot afford. The Pujari left the village 6 months ago. The repairs of the compound wall may not be insisted on but repairing the roof so as to prevent leaks and appointing a pujari are indispensably necessary. For this purpose 4 months time is allowed. If these conditions are not complied with, the Inam should be resumed. 4. Subject to the Amil's report the Inam may be confirmed free of tax under Rule V. I T D. (Signed) T. Sreenivasatyengar Assistant. 14·12·78.	The Amil with his No. 885/754 Of 25th November 1879, forwards the Kyfeat taken from the Villagers In this they (the villagers) state that as the repairs of the temples are ~~costly~~ very costly, they could not undertake it, that at present they have got Rupees 140/- with them realized from the Kaudayam of the Inam lands (for two years) and that if the Kaudayam for the years, Yeeswara, Bahudanya, Pramady are realized from the cultivators, they would Complete the repairs.

Sir,

In reply to your letter No.417/Muz.700-11-6, dated 14-8-1916, enquiring whether there are any lapsed grants available for being granted to Sri Lakshmi Narayana Swamy temple at Adagur, Belur Taluk, etc., I have the honor to state that from particulars so far collected, there does not appear to be any lapsed grant available in this District.

2. As regards the second point re- the desirability or otherwise for the grant of survey No.247 now in the Bhoga of one Ranga as Inam to the temple, the enquiries of the villagers shews that they have no objection to the land being granted to the temple as proposed.

3. Since the holder of the land in question has already agreed to transfer it to the temple, I request that necessary or-ders of Government may be kindly obtained in the matter.

4. The file of vernacular papers ending with Belur Amildar's report No.38, dated 20-9-1916, is forwarded herewith for reference and favour of orders of Government.

now pray for the restoration to the Temple of the Inam lands with which it was once endowed.

(2) The lands have since passed into the hands of various persons and with the exception of S. no. 247, none of the present owners are willing to restore the lands to the Temple. The Dy. Comm. now recommends in lieu of the lands, a cash grant of Rs 7/ per month.

(3) From the records of the Inam enquiry, it is seen that ample time was given to the villagers to repair the Temple and to restore worship, and it was owing to their default that the inam was resumed.

We first are glad to note that the Temple has since been placed in good order and as the owner of S.No 24) is willing to transfer the land to the Temple, a relinquishment in proper form may be obtained from him and the land registered in the name of the Temple as Devadaya Inam.

4. The question of granting any additional Cash grant is still under consideration and separate order will come.
